

# ConnActivity

An Android App - Connecting people with “Activities”

**CMPE 277 Term Project**

**By:**

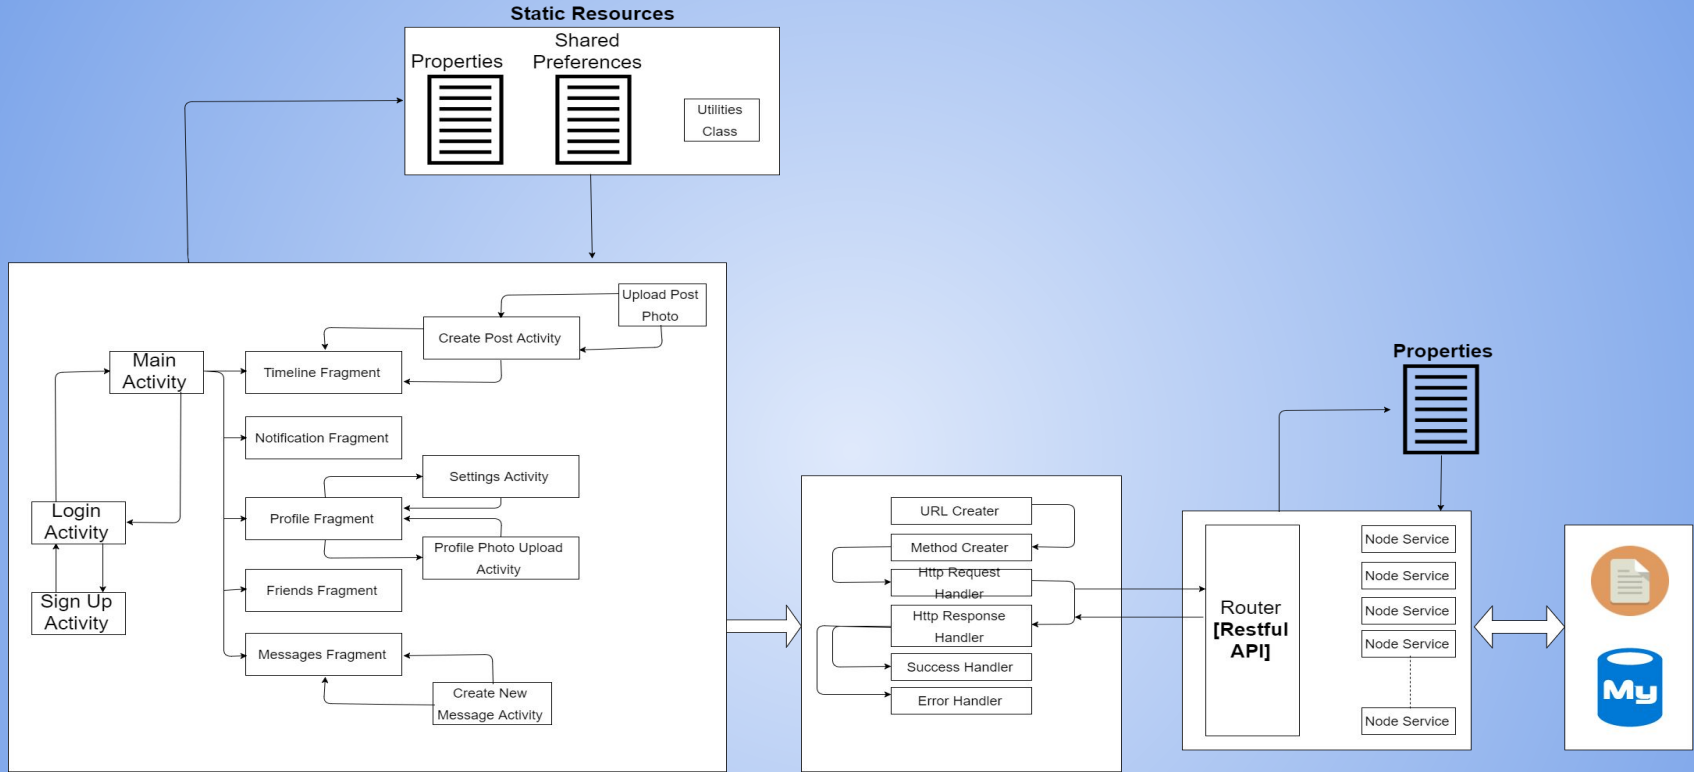

**Ekta Sorathia**

**Gaurav Chodwadia**

# Introduction

- ✓ ConnActivity is a social media application.
- ✓ Create account with your email ID and you're done.
- ✓ You can upload pictures, share photos, build profiles and more...!
- ✓ Also, find friends with their screen names and email to add as friend or follow.
- ✓ Send messages, follow updates of a friend and get notified of their activities.
